audAACious

To use AAC.

To be fearless, **brave**, intrepid.

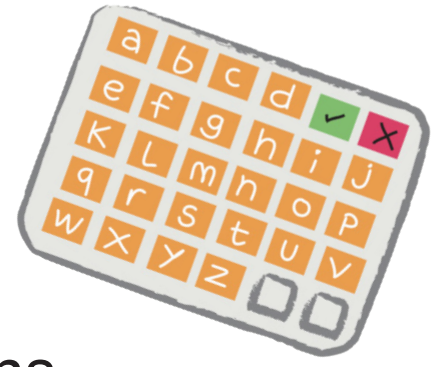

To have the **courage** to take risks.

To be willing to risk failure, yet to try again.

To be **bold** in social situations.

To think outside the box.

To be **creative** and seek solutions.

To **challenge** yourself in uncomfortable situations.

To be both excited and scared at the same time.

To embrace **adventure**.

To **speak up** when it would be easier to stay silent.

To **choose** to grow and take control.

To **dream big**,

work hard and **be resilient**.
